

# VIVALIFT!® TRANQUIL 2 BY PRIDE

**SKU: PLR935**

## Product Overview

Built around comfort, customization, and long-term support, this chair offers advanced positioning options that allow users to fine-tune how they sit, recline, and rest. With smooth, independent motor control and upgraded memory features, the Tranquil 2 delivers a truly personalized seating experience.

## Features

- Independently controlled backrest and footrest
- Positioning that gently elevates the legs above the heart
- Programmable memory to save two favourite seating positions
- Power headrest, lumbar, and backrest for targeted comfort
- Footrest extension to better support taller users
- Lithium battery backup keeps the chair operational during power outages
- Supportive Total Comfort seating system designed for extended use
- Smooth, quiet operation for daily comfort and relaxation

### Size(s)

Small, Petite/Wide, Medium, Large/Tall

### Colours
