AIRMINI™ AUTOSET CPAP MACHINE BY RESMED

SKU: 38113

Product Overview

The AirMini™ AutoSet CPAP Machine delivers full-featured CPAP therapy in an ultra-compact, travel-friendly design. One of the smallest portable CPAP machines available, AirMini combines AutoSet™ technology, waterless humidification, and smartphone control to provide reliable, comfortable therapy whether you're on the road or resting at home.

Features

- Ultra-compact and lightweight design ideal for travel
- ActiveAir™ technology delivers quiet, comfortable therapy
- Three therapy modes: CPAP, AutoSet™ (APAP), and AutoSet™ for Her (fAPAP)
- Waterless HumidX™ humidification without distilled water.
- HumidX is not compatible with AirFit™ F30
- The app allows easy control, settings adjustment, and tracking
- AirView™ connectivity supports patient compliance monitoring
- Designed to work with select ResMed CPAP masks for optimal performance
- **Prescription required**

Compatible CPAP Masks:

- AirFit™ P10 for AirMini
- AirFit™ N30 for AirMini
- AirFit™ F20
- AirTouch™ F20
- AirFit™ N20
- AirTouch™ N20
- AirFit™ F30 (no HumidX option)
