

EZ ELECTRIC BATH LIFT BY MEDLINE

SKU: MDSEZBATHLFT

Product Overview

The Medline EZ Bath Lift provides a safe, powered solution for entering and exiting the bathtub. Designed for individuals with limited mobility or balance concerns, it gently lowers users into the tub and raises them back to seated height with the push of a button. A reclining backrest and adjustable height settings enhance comfort during bathing. With tool-free assembly and a lightweight frame, it offers practical support for bathing.

Features

- Powered lift for safe bathtub entry and exit
- Adjustable height from 2.3" to 18.8"
- Reclining backrest up to 50°
- Waterproof, floating hand control
- Fast recharge time (as little as 1 hour)
- Suction feet for added stability
- Lightweight design for easy handling
- Machine-washable seat and backrest covers
