

FORTRESS S410 BY SUNRISE MEDICAL

SKU: S410

Product Overview

The Fortress S410 is a compact 4-wheel mobility scooter designed to provide dependable indoor maneuverability and comfortable outdoor performance. With the smallest turning radius in the Fortress lineup, it navigates tighter spaces with ease while maintaining the stability needed for everyday travel. Front suspension, an ergonomic padded seat, and a large storage basket enhance comfort and convenience.

Features

- Compact 4-wheel design for indoor and outdoor use
- Tight turning radius for easier maneuverability in smaller spaces
- Ergonomic padded seat for enhanced comfort
- Front suspension for smoother travel over uneven surfaces
- Large wire basket for carrying personal items or shopping
- Available in Standard and High Performance configurations
- High Performance model offers increased torque and traction
- Adjustable seat height for personalized comfort
