

FORTRESS S425 BY SUNRISE MEDICAL

SKU: S425

Product Overview

The S425 Lightweight Mobility Scooter delivers powerful outdoor performance in a compact, easy-to-maneuver design. With a top speed of 12 km/h, all-round suspension, and large 30 cm wheels, it provides a smooth, confident ride on both roads and pavements. Designed for comfort and durability, the S425 is ideal for users who want strength, stability, and everyday reliability.

Features

- Top speed of 12 km/h for efficient outdoor travel
- Large 30 cm wheels help manage uneven terrain and obstacles
- All-round suspension for a smoother, more comfortable ride
- Bright front and rear LED lights for enhanced visibility
- 55Ah batteries support extended travel range
- Spacious design with generous legroom
- Suitable for both indoor maneuvering and outdoor use
- Road-legal design for added travel flexibility
