

JAZZY CARBON 27X BY PRIDE MOBILITY

SKU: PR-Jazzy 27X

Product Overview

The Jazzy® Carbon 27X is an ultra-lightweight folding power wheelchair designed for convenient travel and everyday mobility. Built with a durable carbon fibre frame, it weighs just 27.5 lbs without the battery while maintaining a 275 lb weight capacity. Its innovative X-frame design allows the chair to fold vertically into a compact position for easier transport and storage. The Jazzy Carbon 27X offers reliable mobility in a portable package.

Features

- Ultra-lightweight carbon fibre frame
- Innovative X-frame design for vertical folding
- Compact folded profile for transport and storage
- Airline-compliant lithium battery
- Programmable quick-disconnect joystick
- Removable seat cushion for comfort
- Rear storage pocket for personal items
- Carbon fibre cup holder included

Available In

Black
