

JAZZY CARBON HD BY PRIDE MOBILITY

SKU: PR-Jazzy HD

Product Overview

The Jazzy® Carbon HD is a lightweight, foldable power wheelchair designed for travel without sacrificing durability or comfort. Its carbon fibre frame supports up to 400 lbs while remaining highly portable. Front and rear suspension help deliver a smoother ride across everyday surfaces. With a lithium battery and quick-fold design, the Jazzy Carbon HD offers convenient mobility for users on the go.

Features

- Durable carbon fiber frame with 400 lb weight capacity
- Lightweight design for travel and transport
- Easy fold frame that locks into position
- Front and rear suspension for improved comfort
- 20" x 20" seat with padded back and removable cushion
- Quick-disconnect LCD joystick with USB-C charging port
