

NEXUS WALKER BY HUMAN CARE

SKU: 4700

Product Overview

The neXus 3 Rollator by Human Care features a patented cross-folding frame that redefined modern rollator design. Engineered for safety, durability, and ergonomic performance, it provides ample walking space without compromising stability. Its cable-free braking system and contoured comfort seat enhance everyday usability in both home and community settings.

Features

- Patented cross-folding frame for compact storage
- Stands independently when folded, even with the bag attached
- Cable-free braking system to reduce maintenance
- Ergonomic brake handles with red palm-activated brake assist
- Padded, contoured seat for enhanced comfort
- Wide backstrap with two-position seating support
- Spacious frame design promotes natural, ergonomic gait
- Removable soft zippered bag that folds with the frame

What's Included

- neXus 3 Rollator frame
- Padded seat and backstrap
- Removable zippered storage bag
