

THE RAYMEX® LIFT

SKU: RLABK-S

As Seen on Dragons Den!

Product Overview

The RAYMEX® Lift Standard is a portable mobility device designed to support independence and safer everyday movement. Functioning as both a personal lift and a rollator alternative, it features an elevating seat that lowers to floor level and raises up to 24". Its lightweight folding design makes it practical for use at home or while travelling. Designed to assist with transfers and fall recovery, the RAYMEX Lift promotes confidence and mobility for daily living.

Features

- Elevating seat lowers to floor level for assisted recovery
- Raises up to 24" with adjustable stopping positions
- Functions as both a personal lift and a mobility aid
- Lightweight portable design
- Compact fold for easier transport and storage
- Supports independent transfers and daily mobility
- Designed for home and active lifestyle use
- Stable frame with 300 lb weight capacity
